## *Welcome to Desire Resorts!*

Ready to live the good life? Let's fan those flames of passion in your relationship! Desire Resorts are some of the sexiest vacations a couple can enjoy. There are currently two Desire resorts – (Riviera Maya and Pearl) and both beachfront resorts are about a 20 minute drive from the Cancun, Mexico airport.

### **Riviera Maya vs Pearl**

Desire Riviera Maya & Desire Pearl are very similar to each. They both offer luxurious, sensual libertine vacations with a live & let live attitude amongst it sexy visiting couples. There are some subtle differences. Desire Pearl tends to skew a little bit older than Riviera Maya. Riviera Maya is a bit bigger and tends to party a bit more. Pearl is more intimate and all rooms have ocean views so it tends to cost more than Riviera Maya. Pearl has the sensual catamaran and Riviera Maya has a bigger Jacuzzi lounge and more dining options. They are both great, luxurious and superbly sensual vacation options. This travel guide is going to focus on Desire Riviera Maya. If you are more interested in Desire Pearl then check out our Pearl travel guide.

## **Sexy Difference**

What makes Desire Resorts so sexy? Only couples are welcome - so no kids and no pesky single people at this all inclusive resort. The couples at the resort are given a clothing optional environment. That means you can show off as much of your sexy self as you feel comfortable or show off your sexy wardrobe – the choice is yours. This place is designed for loving couples to stoke their fiery & passionate relationship. There are optional sexy games and intimate workshops during the day plus a full service spa and a very unique Fantasy & Passion menu. Desire also has hot nightly entertainment, its own private nightclub, a 30 person hot tub and let's not forget the SIN room for extra naughty fun.

## **Typical Resort Guests**

The age range of guests varies quite a bit. The most common ages are couples in their late 30s to early 50s. Their age range moves a bit younger during the summer months when Desire hosts young swingers events. The resort does have a minimum age requirement of 21 years but not many 20 year olds can afford the price of this luxury vacation.

Just like there are guests of all ages, there are also people of all body types. This is a very welcoming resort where each couple is just happy to enjoy a sensual time with their special someone.

Even though it is a Mexican resort, the staff speaks perfect English as do almost all guests. Many staff also speak French since many Canadians also enjoy this resort. This resort is truly an international affair. Most of the guests come from the United States and Canada. Because this is a uniquely sexy resort it also attracts couples from many different countries across Europe and

the Pacific. You know this is a special place when people fly over 12 hours from Australia just to visit.

Since this is such a sexy and luxurious resort it does attract couples who are part of the swinging lifestyle. About 1/3 to 2/3 of the guests are swingers who are open to sexually playing with other swinger couples. If you aren't a swinger, you will feel very comfortable as long as you enjoy sexy environments. There is never any pressure to do anything you don't want to do. Desire Resorts are not dedicated swinger resorts. They just attract friendly swingers because this luxurious resort embraces sensuality and passion while respecting others.

To help all guests enjoy their sexy vacation and feel comfortable, there are some house rules. Guests can choose to be topless or naked at the pool but clothes are required in the restaurants and lobby. No cameras are allowed in public areas to protect everyone's privacy. If you want to take pictures, you should do that in private. If you feel passionate, you can kiss anywhere on the resort but sex is limited to your room, the SIN room, the beach beds and the jacuzzi lounge area. This allows guests of all comfort levels to enjoy the resort in their own preferred ways. You have the flexibility to be as passionate as you like without feeling pressured or uncomfortable.

Many first time guests will wear swimsuits on their first day and eventually feel comfortable enough to go topless or bare it all by the end of their trip. The non-judgmental live and let live mentality of this resort provides a comfortable place to experiment with flaunting your sexier side. It can feel very liberating and sensual to show extra skin with your partner. None of us have perfect bodies but we do have enticing bodies that attracted our loving partners. Just imagine reigniting the passion in your relationship as you feel the warm rays of the sun on your

skin while sipping cocktails poolside. Since it is a live and let live attitude at the resorts, you can go as fast or as slow as you feel comfortable with your sexier side.

In case you are wondering, Desire Resorts are incredibly safe. They have their own private 24 hour security team that looks over you and ensures non-guests don't crash your sexy good time. It's not common but occasionally a horny tourist from the neighboring resort tries to sneak in. It is really impressive to see the how quickly and seriously the resort security reacts to protect your privacy. They also enforce the no drug policy so don't do something silly. If a couple has too much to drink they can help you back to your room where you can safely sleep it off. You can relax and really enjoy yourself at this resort.

Desire tries to think of everything to make you happy. They even offer a vanilla cover story for you to share with your family & friends. If you contact the resort, they can provide you with hotel contact information that is answered by staff who will never mention it is the Desire hotel. You can discreetly enjoy your sexy vacation without any of your family & friends discovering what you really did on vacation.

## *When to visit Desire Resorts*

Now that you have a taste of the Desire experience, you are probably wondering when the best time to visit is. That depends on what you want. The good news is that anytime is a good time to treat you and your special someone to this sensual retreat.

If you are looking for a special experience with extra sexual fun, consider the group takeovers at Desire Resorts. This is when a swinging lifestyle group arranges a partial or full takeover of a Desire resort. These "takeovers" attract a higher percentage of swinging guests so the sexual vibe is much higher. The lifestyle groups often arrange special intimate demonstrations and sexy presenters like Playboy Radio and Dr. Jess the sex therapist.

If you are looking for a younger crowd, then go during the summer especially August. Desire hosts a Sexy, Young & Wild theme all month long. Rates are lower which helps younger couples afford Desire. There are also special appearances and entertainers to attract younger couples. During August, Desire allows single ladies so younger couples can have threesomes.

If you want the best weather, you are lucky. The Cancun area weather is always nice. It is coolest during the winter when the average high is about 83 degrees and the nightly average dips down to 67. During the summer the average high is about 90 degrees and the nights cool down to 76 degrees. The rainy season is late August through September. The rain showers don't tend to last long so you still have a good chance of being poolside everyday of your visit.

Desire offers a great break from the chilly winter and is a great way to cap your summer vacation with passion. Because of this Desire Resorts tend to have a high occupancy rate all year round. Even during the rainy season, it is filled with young swingers taking advantage of the lower rates and Sexy, Young & Wild theme. Desire Resorts are so popular they have already started planning a third Desire Resort which will be called Desire Brisabella and located a short taxi ride north of the two existing resorts.

If you aren't ready for an entire Desire Resort stay you can stay at another Cancun hotel and visit Desire for the day by purchasing a guest pass. This will let you enjoy the resort for a few hours.

## Choosing Your Room

All the rooms have king sized beds because this resort is made for romantic couples. The rooms all have air conditioning but you will probably keep the doors open onto your balcony to enjoy the views. Unless of course you don't want anyone else to know that you are watching the complimentary erotic cable channels on your TV. Not sure why you would be embarrassed since the other guests are also enjoying the sexier side of life. There are many other amenities like the in room safe, bathrobes & slippers, coffee maker, hair dryer and more. The resort offers free wifi but it is not super fast because this resort is meant for pleasure and not for working.

Our favorite amenity is the complimentary mini bar fridge in every guest room. That's right, the resort keeps your own personal fridge stocked with complimentary water, soda and beer during your entire stay. If you are waiting for your partner to finish getting ready, you can just reach over and enjoy a cool beer while you watch cable TV or the erotic channels. When you wake up the next morning after a long day of sun & fun, you can reach out for a chilled bottle of water to refresh yourself.

## **Garden View Rooms**

There are a few different types of rooms to choose from. The most affordable rooms are the garden view rooms which are only in Desire Riviera Maya. Desire Pearl is a more intimate resort so all rooms have ocean views. The garden view rooms are great and a very popular choice since guests often spend very little time in their rooms.

## **Superior Garden View Rooms**

The superior garden view rooms have an extra 160 sq feet of space with a couch and lounge chair for you to relax or entertain new friends in your room.

## **Ocean View Rooms**

The next level up is the ocean view room. These are just like the garden room but they have views of the Gulf of Mexico. You can sip coffee with your special someone on your balcony as you enjoy a beautiful & romantic view.

## **Jacuzzi Suites**

If you want to upgrade your sensual experience, Desire offers Jacuzzi suites. These suites come with their own four person Jacuzzi indoor tub surrounded by mirrors. These Kama Sutra inspired rooms are decorated in chocolate & gold tones for a very sensual feel.

## **Passion Suites**

For an incredible Desire experience, they also offer Passion Suites. These super spacious suites are designed for luxurious

entertainment. Besides your oversized Sala entertaining space, or your private oceanfront terrace, it also has an oversized indoor Jacuzzi. You don't ever have to leave the room because the Passion suites come with personal butler service, in-room breakfast, afternoon hors d'oeuvres, and expanded minibar with your own private supply of liquor. If you do leave your room and make new friends you can host private parties in your private sensual oasis.

### **Desire Suites**

The ultimate Desire experience is with the Desire Suites. These two story hotel rooms have their own private swim up pool, Bali beach bed and your own private butler. You are treated like a visiting sex god & goddess. There is Moet champagne waiting for you at your VIP check-in to help you enjoy your own tantra sex amenities. Your hotel room is so spacious it even comes with a six person dining room in addition to an oversized Sala entertaining room with its stripper pole.

Once you figure out which room type is the best match for you, you might be wondering which specific room is the best. That depends on what you want.

If you want a more relaxing vacation, then you should request a room away from the nightclub, pool & Jacuzzi lounge which can be busy & noisy well past midnight. The downside is you will have to walk a few extra minutes to get to your room. This would be Villas 21 (garden), 22 (ocean), 23 (garden), 24 (garden), 25 (ocean).

If you are ready to have fun and don't want to walk too much then you should stay close to the lobby, nightclub & gym. These

Villas are 16 (ocean), 17 (garden), 18 (garden), 19 (garden), 20 (ocean).

If you want to be closest to the most action with no walking then ask for Villa 10 which has the famous Jacuzzi lounge on the second floor and is next to the pool. The other Villas closest to the action are 11 (ocean), 12 (garden), 13 (garden), 14 (garden), and 15 (ocean).

The resort is not huge so walking between the Villas is easy. The partying often goes late into the night but the loud music is kept inside the nightclub.

## What to Wear

You are probably very excited now and might have even booked your room. Now you might be wondering about your wardrobe for this clothing optional resort. It's kinda funny that we are going to talk so much about clothing for a clothing optional resort. We all like to look our best so here is a helpful rundown to ease your anxiety and help you feel proud in your sexy self.

### **Morning Wear**

The mornings tend to start late & slowly at Desire because each night is so exciting. Couples tend to wear casual clothes to breakfast (which does require clothes). You might want to pack some gym clothes if you really want to workout but most couples tend to save their energy for more sensual activities.

### **Daytime Wear**

After breakfast, couples start appearing at the pool. Roughly about 2/3 of people opt for full body tanning and take off their swimsuits. If you feel more comfortable in a sexy swimsuit, you won't be the only one and you can take it off if you feel more comfortable later. When it is time for lunch, couples will put on

some clothes to go eat. Ladies often skip their bikinis and just wear a sexy cover-up. Men will put on shorts on and head to the restaurant. After lunch it is back to the pool and the optional sensual workshops which can be very intimate between you and your partner. Around 4pm the Jacuzzi lounge opens up and many people will migrate from the pool to the Jacuzzi lounge. The Jacuzzi area tends to be more sexually charged and just about everyone is naked under that bubbling water. By 5 or 6 pm people head back to their room to rest up and get dressed up for the evening.

### **Dinner Wear**

The dress code for dinner is sexy. Ladies tend to wear stylish, low cut dresses and men tend to wear a polo or button down shirt with slacks. Couples tend to upgrade their footwear at night. Flip flops are good for the daytime pool but high heels are the preferred sexy option for ladies and men tend to go with nice loafers. After couples enjoy dinner, they usually head back to their room to get dressed up in even sexier outfits.

### **Theme Evenings**

Each night has a different theme and about 2/3 of couples embrace these sexy themes and dress to the theme. You can choose to wear whatever makes you feel comfortable and sexy. Here is what many people wear for the nightly theme parties:

Sunday – Lipstick & Lingerie

Ladies wear lingerie & heels. Men wear boxers & suspenders.

Monday – Uniforms & Sexy Costumes

Couples pick naughty couple costumes like sexy school girl & teacher, pilot & flight attendant, doctor & naughty nurse, sexy police & firefighters.

#### Tuesday – Naughty Nautical

Couples wear sexy sailor outfits and captain hats.

#### Wednesday – Country Night

Ladies wear daisy dukes and men go with sexy jeans.

#### Thursday – Neon Night

Couples wear their sexiest white or neon outfits.

#### Friday – Latin Night

Ladies wear colorful dresses & men wear flowered shirts.

#### Saturday – Little Red Dress

Pull out your sexy red dress, feather boas, bowties or hats.

If you are new to this sexy lifestyle, you probably don't have a large sexy wardrobe. So where do you shop for these sexy things? Here are some of our favorite places:

- [Ami Clubwear](#) (Clothes, Swimwear, Lingerie, Costumes)
- [PinkBasis](#) (Clothes, Swimwear, Lingerie, Costumes)
- [ChicMe](#) (Clothes, Swimwear, & Lingerie)
- [ChicNico](#) (Clothes & Bikinis)
- [Edens Fantasy](#) (Lingerie & Toys)
- [Lingerie BareWeb](#) (Lingerie)

- [Soma Intimates](#) (Swimwear & Lingerie for large breasts)
- [Torrid](#) (Sexy Plus Size)

If you want to embrace these theme nights without buying an entire new wardrobe you can use our [AliExpress shopping cheat sheet](#) on our website SwingersHelp.com. Our cheat sheet links to the different items available on AliExpress that will transform you for each of the theme nights. Saving money with AliExpress can let you use your money to stay longer at Desire which is what everyone wants. The one downside is that shipping is very slow (often 2 to 4 weeks).

### **Au Naturel Grooming & Body Appearance**

After talking so much about clothes to look your best, we should take a moment to talk about how to look your best when you aren't wearing clothes.

Ladies – Relax, you look great. This is a welcoming resort and the guests appreciate the true beauty of a lady. We are our own harshest critic. If you want the biggest ego boost of your life, just listen to the very appreciative men at Desire. Your tiny wrinkles are invisible to them when your smile is so bright. That stretch mark is hidden by your sensual curves. Desire is very friendly and welcoming, so just enjoy yourself.

Most ladies go bare down there and remove all hair or leave a landing strip. You should do whatever makes you feel most comfortable.

As for breasts, you will see a wide range on display. There will be a good mix of breast implants, little naturals, big naturals and everything in between. All breasts are beautiful! They are like gemstones. Some are diamonds, some are

emeralds & others are rubies. They are different but they are all beautiful so feel confident when flaunting your gems. Remember to apply good sun tan lotion all over because the Mexican sun is extra strong.

Men – Sigh, how can we say this politely? You likely need the most work. Ladies tend to take more pride in their appearance and men tend to be a bit lacking. So get serious with your grooming game. Most men at Desire completely remove the hair around their family jewels or trim it very short & neat. The Sasquatch look isn't the sexiest plus less hair makes your equipment look larger. Check that your chest & back hair isn't out of control. To make the most friends you want to look neat and well groomed.

When you are at Desire remember to apply sun lotion everywhere or better yet ask your sexy lady to help apply the lotion to your naughty bits. Just remember to clean off the suntan lotion from your naughty bits before you do anything naughty with your sexy lady.

## *Where to Eat*

Desire Riviera Maya has many dining options for you to enjoy. The food quality is very high but short of gourmet. It will definitely compare to your favorite restaurants back home.

### **Arrecife – Open for Breakfast, Lunch & Dinner**

This elegant buffet is similar to the upscale Vegas buffets. Walk in anytime and enjoy. Breakfast and lunch are standard American options. Each night a different cuisine is featured. Monday is Asian, Tuesday is French, Wednesday is American BBQ, Thursday is Italian, Friday is Caribbean, Saturday is Fine Dining, and Sunday is Mexican.

### **Tentazione – Open for Lunch & Snacks**

This poolside casual café is a great for place to refuel while still enjoying the sexy poolside vibe. No reservations are needed.

### **Sahlo – Open for Dinner**

This elegant restaurant delivers a very sensual and passionate experience for your taste buds. You need to reserve a space. The

international menu is designed with romance in mind. Premium wines are available for purchase but honestly the complimentary cocktails are more than enough to enjoy this culinary treat.

### **Suki – Open for Dinner**

This Asian inspired restaurant also offers complimentary Teppanyaki experience that is better than any Bennihani restaurant. You only need reservations for the Teppanyaki experience. It provides everything Asian from Thai food to sushi to teriyaki.

### **Melange Bar – Late Night Snacks**

Riviera Maya understands you might work up a hunger dancing in the nightclub or being sensual in your hotel room. They offer a complimentary late night pizza & sandwich café that is open till about 4am. The pizza is not NYC or Chicago quality but it is amazing and a huge fan favorite.

### **Room Service – Available 24 hours**

If you are enjoying too much of an intimate moment, you can have them bring the food to your room. There is an extra charge for this unless you are a Premier timeshare member or staying in the Passion Suites.

### **Private Beach Dinner**

If you really want an exceptional experience you can request a private candlelit dinner for two on the sand. This is an extra charge but how often do you get to dine under the stars on the beach with just your loved one?

## Money Saving Tips

A place as special as Desire Riviera Maya is not going to be cheap. Sensual luxury like this place costs a bit of money. We are here to help make it as affordable as possible.

Because Desire Resorts tend to have high occupancy rates year round, there are rarely big sales. That doesn't mean there aren't ways to save some money.

### [Annual Black Friday Sale](#)

The most common way to save money is to take advantage of Desire's annual Black Friday sale. The Friday after Thanksgiving, Desire offers a reduced rate for stays in the next year and you can't choose between Pearl or Riviera Maya. They will select for you based on availability.

### [Cheap Caribbean](#)

A very popular option is to book through Cheap Caribbean travel agency. Because they are a travel agency, they have access to reduced rates and they pass on part of the savings to you. The savings can be even bigger if you also have them book your flight.

They consistently have the some of the best rates. It might not always be the lowest rate but usually the crazy low rates are scams and this online travel agency has a solid & safe reputation.

### [Trivago](#)

You can shop around for lower resort rates by using the Trivago website. When you use Trivago, make sure to click through to the actual hotels to see the final price and not just the price the Trivago search engine displays. Sometimes there are extra discounts that lower the price or unfortunately there might be extra fees. Beware of very low rates, the providers might not honor the rate or try to substitute another resort.

### [Free Airport Transfer](#)

If you want to book directly with Desire, you can still save money by earning a free private airport ride. SwingersHelp.com will let you know when Desire is offering these special & often unannounced deals.

### **Massages**

If you love massages, you can use the onsite Spa but that is an extra fee. Massages by Claudia is a local massage secret that is shared by veterans. She offers lower rates and great service. Don't take our word for it, check out her online reviews. Her "holistic, sensuous & tantric massage" is a huge fan favorite enjoyed by many Desire repeat visitors. Besides giving a great massage she instructs you each on how to massage in a tantric method, so you can keep enjoying it at home. She is a short taxi ride from the resort and costs less than the sensual couples massage at Desire. You can contact her at <http://www.touhofmagic.com.mx/>

## **Tipping**

Ok, this isn't a money saving suggestion but we need to cover this topic. Desire is an all inclusive resort but that doesn't include tips. The staff works very hard and will give you great service regardless of how much you tip or if you don't tip. It's polite to tip these hard workers (dollars or pesos are equally appreciated) .

Here are typical tip amounts.

Airport Driver - \$10 - \$20 per trip

Bell Boy - \$1 to \$2 per bag

Maid – \$2 to \$5 per day or a big tip at the end of your stay. If you entertain people in your room and leave a big mess, please be more generous. Leave it with a thank note so they know it is their tip. Feel free to ask them during your stay to refill your mini bar fridge in a certain way. They strive to make you happy.

Bartender – \$1-\$5 per round depending on drinks. Some people prefer to give a big tip at the start of their vacation (\$20-\$50) and skip the daily tipping.

Restaurant Wait Staff – \$1 to \$10 per guest per meal depending on what was involved. Simple breakfast closer to \$1, fancy dinner closer to \$10 or more if it was extra special.

Pool Staff - \$2 to \$5 each day

If you want to be more generous, definitely be more generous. The staff are incredibly hard workers & treat all guests amazingly.

## *Less Thinking, More Drinking*

Like most people on vacation, you probably want to enjoy some adult beverages. No worries, Desire can keep you happily inebriated and it is all included ...well almost.

We already mentioned your complimentary private in-room mini bar that is restocked each day with water, soda & beer. Here are the current complimentary liquors & beer Desire offers at the their bars:

Tequila: Tequila Don Julio Blanco, Tequila Don Julio Reposado, Tequila Jose Cuervo Especial, Tequila Jose Cuervo Tradicional

Rum: Bacardi Blanco, Bacardi Añejo, Bacardi Solera, Appleton, Ron Coco, Captain Morgan

Vodka: Stolichnaya, Eristoff, Absolut Azul

Gin: Beefeater, Tanqueray

Whiskey: Johnny Walker Red Label, J & B, Canadian Club, Chivas Regal 12 Years

Bourbon: Jim Beam, Wild Turkey, Jack Daniels

Brandy: Don Pedro, Terry Cent, Fundador

Liquors: Whisky cream, Kahlua, Anis Chinchon Dulce, Anis Chinchon Seco, Melon liquor, Campari, Curacao Azul, Fernet, Cassis, Martini & Rossi Vermouth

Beers: Sol Beer and XX Beer

There are also premium wines available for purchase at diner.

You can see Desire serves top shelf alcohol. If you absolutely love a certain drink that isn't on this list, you can pick it up at the duty free store in Cancun's Airport which is accessible to new arrivals. Another option is to have your airport driver, make a quick stop at the convenient store on the way to Desire or a little detour to Walmart. This is another reason we always love to use [USA Transfers](#) from the airport. Just make sure to reserve them before you fly out.

If you are staying in one of the amazing suites, you can have your butler deliver your drinks. If your room didn't come with complimentary butler service, we have a tip – bring Bubba mugs. These are stainless steel mugs that are perfectly insulated to keep your drink cold no matter how hot it is under the Mexican sun. Bubba mugs hold a large amount so you can sip all day long without needing refills.

While we talk about drinking, let's also bring up body shots which are a popular pastime at Desire. You will see many people doing sexy shots of drinks off of many different body parts. You can participate as much or as little as you feel comfortable. It is all about enjoying yourself on a sensual vacation.

To get you in the mood here are some drink recipes for the favorite drinks served at Desire...

*Pink Pussy*

Vodka, Ginger, Lime Juice, Lemonade

*Slippery Nipple*

Coffee liqueur, butterscotch schnapps, and Irish cream

*Dirty Monkey*

Pina colada, Kahlua, vodka, banana & ice

*Paloma*

Lime juice, grapefruit juice, silver tequila, agave syrup

*Hummingbird*

Coconut Rum, Irish Cream, milk, strawberries, banana & ice

## *Entertainment Options*

You can be as active or relax as much as you prefer. Here are the most popular ways that guests stay entertained.

### **Gym**

Many guests think they will a workout but few actually show up. Be honest and leave your sneakers at home to free up more space for high heels & lingerie. The gym at Desire is really great but just can't compete with the other tempting distractions.

### **Spa**

If you partied a bit too much the previous night, check out the full service spa at Desire. They offer a wide range of soothing treatments including therapeutic massages, facials & skin treatments. The Desire spa is unique for is its full menu of exotic sensual treatments including seductive couples massage & yes it is as hot as you think. Spa treatments are an additional charge.

### **Pool**

The pool is usually the preferred spot for most couples. Some chairs are reserved for Premier timeshare members. Your pool concierge will help you pick your chair. Some people like to stay close to the swim up bar, others seek out front row seats to watch the entertainment, and others like chairs situated at walkway intersections so they can meet more new friends. Once you pick your spot, drop-off your stuff on your chair so other people know it has been claimed and then head into breakfast.

Each day the entertainment staff organizes a few fun & naughty games. They tend to be a bit sexually charged but not crazy. The real naughty game is at 4pm when the more sexually inclined people migrate over to the Jacuzzi lounge.

## **Beach**

The beach at Desire is not great. Desire is more about going to a sexy resort and less about going to the best beach. Don't get us wrong, it's a nice beach but it is just not great. Due to past storms, the beach is not huge and there is a bit of seaweed in the water which is cleared away each morning.

Despite nature not making it a great beach, Desire makes the best of it by having a beach bar right on the sand. The resort also has placed beds on the beach which you can enjoy for intimate moments.

## **Foam Party**

This is a highlight for many people. The Desire staff throws a foam party every Friday afternoon at Riviera Maya. It is amazing fun and many couples will use the foam as a privacy screen to enjoy an intimate moment. The foam party is so much fun, guests

from Pearl will come to visit and some Riviera Maya guests will go to Pearl for their foam party which takes place each Saturday.

### **Jacuzzi Lounge**

Each day around 4pm the hot tub opens up. This is a massive hot tub that seats about 30 people (more if you want to get extra friendly). It is located on the rooftop of Villa 10 which is next to the pool. The hot tub tends to be very popular with swingers who like to sexually play here during the afternoon and night time.

Some groups of people like to play games in the hot tub. They bring ping pong balls and write sexy dares or questions on them. Then they drop the ball in the hot tub and if the ball hits you, you do what was written on the ping pong ball.

The Jacuzzi lounge is open to couples with an open mind. You don't have to have sex and or do anything but if you are friendly & flirty there is a good chance you might be offered a naughty proposal from other sexy people.

The party goes till about 4am, when they shut it down to clean and super shock the water with crazy strong sanitizers so it will be clean & ready for the next afternoon.

### **Sexy Catamaran**

Riviera Maya does not have a dock but Pearl does and that dock has a catamaran that offers sexy day trips for 4 to 5 couples for an extra charge. These trips often include snorkeling & other fun stuff. If interested, you can talk with the front desk to make reservations. You will need to take a short taxi ride up to Pearl.

### **Cancun Boobs Cruise**

If you are looking for more of a crazy party, then check out the Cancun Boobs Cruise which leaves from the Temptation resort. This cruise is filled with booze & boobs. It is the craziest spring break style experience you can find. Temptation is about a 20 minute taxi ride from Riviera Maya. You will need to buy tickets for this at <https://CancunBoobsCruise.com>

### **Non-Stop Entertainment**

Just about every 30 minutes there is a different game, sport or sensual workshop that you can join. It ranges from tame stuff like paddleboard class & yoga to more active stuff like beach volleyball & pole dancing class, to even naughty stuff like Kama Sutra surfing and Human Sushi.

## *Sexy Fantasies Made Real*

Many resorts claim to deliver sex & romance but Desire actually delivers. Unlike pretenders, Desire has an actual Sexy Fantasy Menu. We are not talking sexy dining, we are talking actual sex fantasies made real.

### **Sexy Boudoir Photo Shoot**

If you want a professional boudoir photo shoot, the front desk will arrange this for you. A professional photographer will guide you through a photo session and can take these sexy photos on the beach or in your room.

### **Sex on the Beach**

We already talked about the romantic but very tame private dinner on the beach. So let's talk about their Sex on the Beach package. For \$150 it reserves a beach bed (so no uncomfortable

sand) with sparkling wine, liquid chocolate and strawberries for you to enjoy a passionate connection on the beach.

### **Foursome Erotic Massage**

If you make friends and are looking for a special group moment then this is a great option. For \$600, this reserves a Jacuzzi cabin in the spa along with two bottles of sparkling wine and an hour long erotic massage for two couples which you then can finish however the four of you desire.

### **Lights, Camera, Action**

Have you ever fantasized about making your own private sex tape? This \$600 package gives you the perfect opportunity. It provides you a professional videographer to capture your sexiest moments and a fully edited finished DVD for you to enjoy at home.

### **Seductive & Exciting Strippers**

Looking for extra excitement & the erotic TV shows aren't good enough? Have your own private stripper perform in your hotel room. You can have a male or female stripper come and perform in the privacy of your room. It is \$250 for the first stripper and \$150 if you want a second stripper. They bring a bottle of sparkling wine for you to enjoy during their performance.

### **Desire Bondage Fantasy**

This is a super charged stripper performance with a BDSM twist. The stripper will bring a bondage kit, chocolate covered strawberries, whip cream and sparkling wine to take you on a very erotic journey where you can explore your BDSM fantasy. This package is \$500.

### **Erotic Spa Treatments**

Let's not forget the spa at Desire has its own menu of erotic couple massage options that will blow you away.

### **Sexy Workshops**

Desire offers a range of sexy workshops that change over time. Some hands-on workshops teach men how to worship their ladies body, and for women to worship their man's body. These workshops are complimentary and very sexy.

### **Friendly Swingers**

Let's not forget that there are many friendly swingers at Desire. You don't have to pay for any of these sexual fantasies. You can make friends with sexy swingers who likely will be more than happy to make sexy memories with you.

## *Swinger Situation*

Desire welcomes all people that enjoy a sexy vacation and that includes swingers who make up anywhere from a 1/3 to 2/3 of guests depending on the week. In case you aren't familiar with the swinging lifestyle, let's explain a few concepts.

### **Lifestylers Aren't Nymphomaniacs**

Couples in the swinging lifestyle are normal, nice & respectful. They know that drama isn't fun & avoid awkward moments. If a swinging couple meets another couple they will do a bit of vanilla socializing because they enjoy making friends. If there is a mutual attraction, it might lead to sexy fun later but only after a good bit of communication because drama isn't fun. So you don't have to worry about swingers pressuring you at Desire.

### **How To Avoid Swingers**

Don't worry. Swingers are very skilled with sensing uncomfortable people and avoid them because ... you guessed it, drama is not fun. If you don't make sexy compliments, or go in the SIN room, or flirt with couples in the Jacuzzi you won't attract swingers. You'll just have a romantic vacation at a friendly place.

### **Swingers Aren't Looking For Love**

Swingers aren't trying to steal your partner. Swinging couples know that their own partner is the sexiest person and love them the most. Yes, swingers love to have sexy time with friends but they don't fall in love with them. They love their partner and are just temporarily having consensual fun in a sexy lending library.

### **Swinging Is Usually A Team Event**

Most swingers like to have sexy fun together so they often play in the same room with the other couple. Occasionally some swingers have a "hall pass" and that means they have permission from their partner to play with other people without them but that is less common.

### **Many Different Shades In Swinging Lifestyle**

Swingers are a friendly bunch and each couple does what is best for their own relationship. Some couples are only soft swap (foreplay & oral) & other couples are full swap (full sex). Some couples only play in the same room and other couples are open to

separate rooms. Each couple in the lifestyle talks with their own partner to figure out what rules & boundaries are best for them.

## **No Means No**

At anytime, anyone can say no. If something doesn't feel good, you can have it stop at any time. Consent and keeping everyone happy & safe is very important to swingers.

## **Attracting Swingers At Desire**

If you are experienced in the lifestyle you are going to be fine at Desire. Showing off your sexy body will lead to a bit of flirting from other swinging couples. If you feel a sexy connection with any of those couples, make sure to share some sexy compliments because everyone likes compliments. The Jacuzzi lounge and SIN room obviously tend to be central meeting places for swingers.

## **Is Desire a good place for lifestyle rookies?**

Desire is not an ideal starting place for rookies. Why? Before you take that big first step, you should research & talk with your partner. You both want to make an honest & informed decision when you aren't drunk or caught up in passion. If you have done your homework, we still aren't fans of rookies playing at Desire. You never know how you will react from your first experience and it can be extra intimidating at a resort like Desire. Smaller, local swinging events tend to be easier first steps for rookies. You

can take smaller, more incremental steps and ease into the lifestyle. You want to only go as fast as the slowest person.

### **SIN Room**

This sexy room connected to the disco is HQ for swingers at Desire. You can play with just your partner or bring another swinging couple with you. Everyone is absolutely expected to ask before touching anyone. This is a sensual room for consenting adults using their respectful manners and not a crazy orgy with no rules. Ok there might be a crazy orgy in the SIN room but only after everyone involved says yes to it.

## *Beware Timeshare Trap*

Desire is a super sexy resort and we obviously are big fans of this sexy resort. A common complaint with Desire is that they try to push new guests into signing up for a timeshare presentation during the check in process. They won't call it a timeshare but rather Premier membership. They will offer you gifts and other incentives to attend. Be firm and opt out. Once you have your room key, stop listening and head to your room.

You are on vacation and should enjoy your vacation. If you really are interested in buying a timeshare membership, you can negotiate it after you go home.

The timeshare is not necessarily a bad deal and many of our friends have bought it. It is just not smart to negotiate while you are busy drinking, partying and having a very hot & sexual time. You are paying good money for your vacation so why spend your time listening to a sales pitch?

If you wait till you get back home you can take a harder negotiating position. Desire can be very flexible on contract negotiations. You should speak with current Premier members to better understand the wide price range and negotiated bonus perks in their contracts.

As for us, we didn't choose the timeshare because we don't have enough time in our schedule to visit Desire multiple times in a year. When we do find time in our schedule we often can find a decent rate at Cheap Caribbean that isn't much higher than the special discounted Premier membership rate.

For us the math just didn't add up but for several of our friends the math did make sense. It will depend on how much you plan to visit Desire each year, & for how many years, & what rate you can negotiate with them.

To be fair, Premier membership is not just about the money. It is also about the extra perks like complimentary room service, reserved premium pool chairs, discounted rate to charter the catamaran and other perks that do make Desire even more enjoyable.

If you would like a taste of the Premier membership, you can ask an existing member for a referral week. This is a code that gives you a discount and some perks but you need to attend the presentation. If you join the Premier membership than the existing member earns some cash.

## Other Sexy Vacations

Maybe you don't like Desire Riviera Maya or maybe you are curious about other sexy resorts. Here is the best alternatives to Desire Riviera Maya.

**Desire Pearl** - As we previously mentioned, its just like Riviera Maya with a few subtle differences. Skews slightly older than Desire RM, all Villas are ocean view and it has a catamaran.

**Temptation** - This is owned by the same people behind Desire & is located in Cancun but it caters to a different crowd. It allows singles and places the focus more on partying and less on sexy. It is sexy like a Vegas nightclub at this topless optional resort. But there is no full nudity allowed and absolutely no sex in public areas. This is more for adults that want a spring break experience.

**Hedonism** - This is an adult resort in Jamaica that is friendly towards swingers. The amount of swingers is usually about 30% to 60% and they allow single men at the resort. The resort is split into two areas - Tame & Wild. On the Tame side, you must be clothed at all times. On the Wild side, you must be naked. There is not an option at this resort. They have public sex areas on the Wild side. This resort tends to skew a little younger than Desire

because it is cheaper but the quality is also a bit lower. Hedonism was very rundown and the owners are in the middle of updating.

**Breathless** - This is a romantic resort without the sexy side. It is right next to Desire Riviera Maya. It is a tame alternative for couples wanting romance & luxury without sexy naked people

**Lifestyle Cruises** – These are not normal vanilla cruises. These are special swinging lifestyle takeovers of entire cruise ships. You don't need to be a swinger to enjoy these libertine style cruises where you can be as naked & sexy as you like. Click here for more information about [lifestyle cruises](#).

**Naughty in Nawlins** – This is a swinger lifestyle event in New Orleans. It is a weeklong party & swinging event. The top sexperts give workshops, the latest sex toys are revealed and there is even a swinger's parade down Bourbon Street. This is one of the sexiest parties in the US each year. It attracts the largest swinger gathering each year. So if you want to enjoy a libertine US vacation, this is your answer.

**Need Help? Contact Char Travel Agency**
